My expedition is comfortable and I have always felt totally safe driving it. My 2004 has close to 300,000 miles on it now and still runs great. Keeping it serviced regularly has increased the life of this vehicle and kept it running just like it's new. I've towed my pontoon boat and a trailer carrying a golf cart.

I bought my '04 Expedition used. It's turned out to be one of the best SUV's I've owned. It's great for hauling equipment & carrying passengers (& 2 large dogs.) It's handles beautifully & accelerates quickly. It brakes very smoothly too. The fuel economy is amazing for such a large vehicle. For me it has turned out to be quite a reliable vehicle.
