A Fistful of Rubbers is the second book in the Sid Tillsley Chronicles by M.J. Jackman. For a review of the first book in the series, have a look here. Fair warning, spoilers for the first book lay ahead in this review. Last time we saw Sidney he had put ‘the nut’ on the monstrous beast known as Sparle.

Looking at eBay, I can see both an older ribbed-metal design and a newer (Rokkor-X vintage) rubber-grip design. Both have the same optics. Back in the late 1970s, I tested a whole bunch of 28mm lenses (thanks to the kindness of a local camera store), and the Minolta Rokkor Si 28mm f/2.5 was the clear IQ winner by a healthy margin.

What I really liked about A Fistful of Rubbers is the interaction between Sid and the boys and the well crafted dialogue. I really have not read anything quite like it. It is so refreshing to read a quirky and original vampire story that does not regurgitate the same old plotlines and characters that are so common in this genre.

Option 1. Option two is easier yet and offers a little bit of texture to go with the rubber. I am not sure who the first was, but this was a fairly common technique in the '70s and '80s. Simply grab a fistful of rubber bands and start applying them to the grip. Stop when you have achieved the desired girth.

A Fistful of Collars ONE Heard you drove another one off a cliff," said Nixon Panero. He spat a thin brown stream of chewing tobacco into an empty paint can, or maybe not that empty. Yellow paint, the yellow of egg yolks, now with a brown swirl in the middle: there's all kinds of beauty in life. "You heard wrong," said Bernie. Uh-oh.
