HOW TO DEFEND EARTH AGAINST AN ALIEN INVASION. This writer believes that the document produced by British UFOlogist Nick Pope for the UK Ministry of Defence contains serious flaws that need to be addressed. The main problem I find with Mr. Pope's document is that it considers the idea of a hostile alien invasion from a perspective that is rooted exclusively in the material realm when, in reality, there are two other realms that need to be taken into consideration, namely, the mental and ...
