Atlas Roof Lantern Installation Guide

Pro Tip: Installing the Atlas Signature Select roofing system won't automatically produce a better roof than one constructed from quality materials from mixed brands. A long-lasting roof is the result of superior installation. That's why hiring an experienced, proven roofing contractor is just as important as the brand of materials you use.

Roof Shingle Installation Instructions - Atlas Roofing | Home

This stunning new build home features aluminium windows, doors and a show-stopping 6m x 3m Atlas lantern roof. The installer was initially approached for a PVCu solution, but on understanding the ultra-modern finish the builder was looking for, recommended upgrading to aluminium. It was a no-brainer and the results are fabulous - a light, airy, modern home, perfect for a busy family.
