AQA GCSE Biology Past Papers - Revision Science

Lifeact is a short actin-binding peptide that is widely used to visualize filamentous actin structures in live cell fluorescence microscopy. This cryo-EM study by Alexander Belyy, Stefan Raunser and colleagues, reveals how Lifeact competes with actin-binding proteins such as cofilin and myosin, providing an explanation for how Lifeact alters cell morphology.

PLOS Biology: A Peer-Reviewed Open-Access Journal

ABSTRACT 1. An abstract, or summary, is published together with a research article, giving the reader a "preview" of what's to come. Such abstracts may also be published separately in bibliographical sources, such as Biological Abstracts.

Journal of Molecular Biology | ScienceDirect.com by Elsevier

Dr. Michelle Harris, Dr. Janet Batzli, Biocore. This section provides guidelines on how to construct a solid introduction to a scientific paper including background information, study question, biological rationale, hypothesis, and general approach. If the Introduction is done well, there should be no question in the reader's mind why and on what basis you have posed a specific hypothesis.

Scientific Papers on Plant and Cell Biology

Scientific papers must be written clearly and concisely so that readers with backgrounds similar to yours can understand easily what you have done and how you have done it should they want to repeat or extend your work. When writing papers for the biology department, you can assume that your audience will be readers like yourselves with similar knowledge.
