Morning Ritual - A Powerful Conversation with the Universe

Conversations with The Universe: How the World Speaks to Us reveals how repetitions, coincidence and synchronicity are part of a personal conversation from the Universe, intended to provide ease and guidance. We are not alone, nor have we been creating life experiences on our own.

Conversations with the Universe - Life in the Right Direction

Now, here I am, helping you seek guidance from the universe. How do we practically apply it? Here are three ways to apply conversations with the universe in everyday life: 1. Making a big decision. “Is this decision in the best interest of my highest good?” Get grounded, close your eyes, and feel into the decision. How does it feel physically?

Conversations With The Universe How

Conversations with the Universe - How the World Speaks to Us When I first started reading this book, I found myself almost about to put it down. The book is an interesting look into spirituality, a topic that I don't find easy to read about and consider. The concepts it was introducing me to were almost too radical for me.

A lady from Montreal recently contacted us on Facebook and sent us a picture of her tattoo of one of our Wu Wei Wisdom quotes: Be mindful of your self-talk it's a conversation with the Universe. She wrote: 'Needless to say that your words really resonated with me...enough to put them under my skin forever.(freshly done) Thank you.'

Conversations with the Universe : How the World Speaks to ...

It was a moment of total honesty, sincerity and tad of impatience. ☐☐ But talking with the Universe is so good for the soul since we are the Universe. Asking your higher self a question and letting it answer you through signs, dreams, a feeling in your gut or a voice in your head is an excellent practice that we should all be doing a lot more of.
