coronavirus, according to the American College of Emergency Physicians (ACEP).

## **Two US ER doctors in critical condition with coronavirus**

Critical Condition places the facts together like a large jigsaw puzzle, providing a very clear picture of what is going on right under our noses. The authors provide a very practical and healthy solution at the end of the book. It is my hope that America could follow Europe's lead in being a "we" nation instead of a "me" nation.
