The preliminary expenditure must be incurred prior to commencement of the acquisition, construction, or rehabilitation of a project. Preliminary expenditures do not

Program Information Transfer Fact Sheet

This Elementary Surveying: An Introduction to Geomatics, Tenth Edition has been updated to reflect the changing nature of modern surveying practice—currently often referred to as "geomatics." Since this new term is now generally accepted in English-speaking countries worldwide, and is consistent with modern practice as currently evolving in the United States, it is an appropriate addition to the book's title.
