English Language Learners Face Unique Challenges English language learners are the fastest-growing student population group in our schools. Providing them with high-quality services and programs is an important investment in America's future. —NEA President Dennis Van Roekel

### Understanding the Struggles of ELL Students and Teachers

English language learners (ELLs) with learning and thinking differences face some unique challenges. Here are some common ones that ELLs may encounter—and what you can do to help. Challenge #1: Your child has undiagnosed learning and thinking differences.

### 5 Challenges English Language Learners Face - EnglishPost.org

The Unique Challenges of Teaching English-Language Learners. The most common problem in providing meaningful access to the curriculum has been the practice of viewing English-language learners with learning difficulties as simply low-performing native English speakers. It is critical that teachers avoid this reaction when confronted with students who do not use English proficiently.

### 4 Challenges ESL Learners Face | ProLiteracy

In this excerpt from *Forbidden Language: English Learners and Restrictive Language Policies* (Teachers College Press, 2010), Dr. Patricia Gándara and Megan Hopkins discuss some of the challenges that English learners face and the implications of the changing demographics across the U.S. for schools and teachers. The excerpt includes the following sections:

States can also exempt new English Language Learner (ELL) students from English testing for a year. Many ELL advocates see these measures as entirely inadequate. Studies suggest that it takes five to seven years, not one year, for students to become proficient enough in academic English to understand assessment questions.

## **English Language Learners Face Unique Challenges**

The English writing system, therefore, presents little difficulty to Portuguese learners. (But see below for problems with spelling.) Phonology: Brazilian Portuguese is a syllable-timed language, in contrast to English. This can result in learners having serious difficulty reproducing the appropriate intonation patterns of spoken English.

## **ELL Challenge Shows NCLB's Absurdities | FairTest**

EL students with disabilities were more likely to be classified as having a specific learning disability than their non-EL counterparts. Overall, EL students face unique challenges but also represent a tremendous asset for our country if their full potential can be unlocked and harnessed.

## **Our Nation's English Learners - US Department of Education**

Unique means the only one of its kind. In this context, known is the correct fit. As a consensus is an agreement, it can stand by itself.. It is redundant to say a known consensus.If there was a consensus, people knew about the issue and agreed. And to say an academic consensus would imply that only academics agreed, while in fact people other than academics, such as chemists, the military and ...

## **Bing: English Language Learners Face Unique**

English language learners (ELLs) represent a growing population in the U.S. K- 12 system. Research has shown that these students face many challenges that affect their trajectory to college. The challenges include, but are not limited to, issues related to academics, socioeconomic status, parental involvement, and socio-emotional strains.
