Even in the Badger Hold Bar, the gift of fashion is more than a shallow expression of regard. "How you feel about your place in the world and who you are is picked up immediately by others. Comfort in your clothing presents the persona that is important to you!" so said the Clothier to her newest client.

I fell in love with the Badger Hole Bar when I got the cookbook (a fun book with great recipes). After waiting for this book I was worried I would be disappointed. The only disappointment is that it came to an end. I am not disappointed with the story, the characters are strong and meld together nicely. Looking forward to the future releases.
