Download File PDF Ford Trailer Brake Controller Wiring Diagram Manual Full

Since your 2020 Ford Ranger SXT came with a factory installed 7-way trailer connector, you should have a brake controller connector under the dash. That being said, the connector that would most likely fit # 3034-P, has not been confirmed as a fit for the 2020 Ranger as of today (April 2020). I have attached a photo of what this connector looks like, so if you can confirm the one under your dash, behind the brake pedal, matches up with the one in the photo, then the # 3034-P should work to ...

Brake Controller Installation in 2019 Ford Ranger ...
