### **Guidelines For Doctoral Dissertation Research**

Tara Kuther, Ph.D. Updated September 20, 2017. A dissertation, also known as a doctoral thesis, is the final required part of completing a student's doctoral study. Undertaken after a student completes coursework and passes a comprehensive examination, the dissertation is the final hurdle in completing a Ph.D. or other doctoral degree. The dissertation is expected to make a new and creative contribution to a field of study and to demonstrate the student's expertise.

### **Electronic Thesis - Dissertation Guidelines | Graduate ...**

Each thesis or dissertation is unique but all share several common elements. The following is not an exact guide but rather a general outline. Chapter 1: Purpose and Significance of the Study. In the first chapter, clearly state what the purpose of the study is and explain the study's significance.

### **PhD Dissertation Research | College of Education ...**

The subject of the dissertation must be approved in advance by the student's department. If a student wishes to submit as a dissertation a published article or series of articles, a book or monograph, or a manuscript that has been accepted for publication, approval by the appropriate department must be obtained.
