Haven in a Heartless World. One of the earliest and sharpest cultural commentators to investigate the twentieth-century American family, Christopher Lasch argues in this book that as social science "experts" intrude more and more into our lives, the family's vital role as the moral and social cornerstone of society

disintegrates—and, left unchecked, so does our political and personal freedom.

The third volume of Tony Cliff's selected writings is now available and contains this extract on the family, first published in 1984. The family does not serve as a safe haven insulated from the world of work. Work intrudes into every aspect of the worker's life. Lasch writes [in 'Haven in a Heartless World']: 'The same historical developments that have made it necessary to set up private life - the family in particular - as a refuge from the cruel world of politics and work, an emotional ...

Posted on February 26, 2011 by John Salmon. "The family is a haven in a heartless world." ~Attributed to Christopher Lasch. Each morning my family leaves our home and enters the discouraging, oppressive world of work or school. That may sound harsh, but true none the less...just watch the news. Students enter the "sacred halls of education" through metal detectors and security guards to sit in classrooms as canine police sniff out lockers for paraphernalia.
