## **Introduction to rural sociology (101) 1st lecture**

Introduction to rural sociology (101) 1st lecture. 1. First lecture Rural Sociology. 2. The Meaning of Sociology The word sociology is a combination of Latin word 'socius' and Greek word Logos, - Logos means study on a high level and socius points to society. Thus, sociology means the study of society on a highly generalized or abstract level. In other words, the meaning of sociology is the 'science of society'.

### **Introduction to Rural Sociology | Ohio State ATI**

Rural sociology is a field of sociology traditionally associated with the study of social structure and conflict in rural areas although topical areas such as food and agriculture or natural resource access transcend traditional rural spatial boundaries. It is an active academic field in much of the world, originating in the United States in the 1910s with close ties to the national Department of Agriculture and land-grant university colleges of agriculture. The sociology of food and agriculture
