Amazon.com: Customer reviews: Kindle Paperwhite, 6" High ...

I was drawn to the features available on the All-new Kindle Paperwhite - and I was equally impressed by all the rave reviews. So, I took the plunge and bought one. Am I happy with my purchase - you bet I am! My new Kindle came within four days of placing the order, and it was nicely boxed up in protective packaging.

Kindle Paperwhite review: The Kindle you should buy

This new Kindle Paperwhite 4 is very light and slim, easy to hold, no glare, gives you a premium experience. Battery life is very Good, do not connect to the PC/ Mac to charge your Kindle as it takes too much time, Instead use your mobile charger to charge it quickly.

I bought two All New Kindle Paperwhites (International Version) in late November last year: one for my wife and one for myself. My Kindle began to malfunction within days. It jumped pages, inexplicably went to the store while I was reading and randomly marked words and brought up the dictionary of its own accord, amongst other strange behavior.

Amazon.co.uk:Customer reviews: Kindle Paperwhite ...

If you're looking to upgrade an older e-reader, or purchase your first such device, the Kindle Paperwhite is the obvious choice. It's far cheaper than the flashier Oasis, yet still sports a...

Amazon Kindle Paperwhite review | TechRadar

Its what the Kindle was at the onset, but much lighter and more compact. I had the fire for a while, and its ok but clunky and slow and honestly, cheap. You can do much better for a multimedia player.

Bing: Kindle Paperwhite Customer Reviews

In 2019 this will be the right choice between all the Kindle collection. I had All New Kindle (10th Gen) and super happy with that. The reason I bought Kindle Paperwhite was the waterproof option and higher resolution. I guess both of them are very good and only price mater will help you to choose one of them.

Customer Reviews: Amazon Kindle Paperwhite E-Reader (with ...

While the Kindle Paperwhite is a popular device, cases for it are less so—it's already waterproof, and its plastic construction and light weight mean it survives drops better and shows scratches...

18 Amazon customer reviews ... Read the full Amazon Kindle Paperwhite review (Image credit: Amazon) Amazon Kindle Oasis. The newest Kindle Oasis device has all the cutting-edge features.

The best Kindles in 2020 | Tom's Guide

Reading on the Paperwhite is great but from the main screen and in the Kindle Store, I have trouble reading the black and white on the book covers. Also, I am very disappointed that customer reviews are not viewable on the Kindle Store any longer.

Amazon.in:Customer reviews: Kindle Paperwhite (10th gen ...

The Kindle Paperwhite is Amazon's mid-range ereader, sitting between the affordable Kindle and the top-end Kindle Oasis in Amazon's range, and the design reflects that. It doesn't feel as premium...

Amazon.com: Customer reviews: Kindle Paperwhite E-reader ...

With the All-new Kindle Paperwhite (available on Amazon), Amazon's not only managed to catch up to the competition like the Kobo Clara HD, it's lapped them. The new e-reader's premium features,...

Amazon.com: Customer reviews: Kindle Paperwhite - Now ...

For relaxation, I do far more listening than reading, making the Kindle Paperwhite a downgrade from just using the Kindle app on my phone. The more eye-friendly display doesn't make up for the less ear-friendly audio. Even the display doesn't live up to the hype. While it doesn't get washed out by bright light, it's far from glare-free.

Amazon.com: Customer reviews: Kindle Paperwhite - Now ...

First I must be clear that I am a fan of e-books, and I think Kindle Paperwhite has always been a nice device, light, easy to use, easier on the eyes than an LCD screen, easy to look up words, etc.

Kindle Paperwhite Customer Reviews

What I like about the Kindle Paperwhite is that it is a dedicated e-Reader and it combines the best features of the Kindle e-ink and the iPad/Kindle Fire. * Ultra lightweight at 7.3 ounces and easily held for hours with one hand.

Best Kindle 2020: Reviews and buying advice | PCWorld

The best Kindle overall is the Amazon Kindle Paperwhite. It's got a sharp 6-inch, 300-ppi backlit display, 8GB of storage, and can withstand a dunk in the water. It may cost a little more than the...
