Bing: Language Change Progress Or Decay

While its title might make the book seem a collection of papers taking sides in a debate, *Language Change: Progress or Decay* is a textbook written by Jean Aitchison introducing contemporary study of language change to beginning students of linguistics. The book has proven quite popular for its gentle tone and its clear summarization of important work in the field, and has now gone through several editions.

Book Review: Language Change: Progress or Decay? Jean ...

Yes, and so is every other human language! Language is always changing, evolving, and adapting to the needs of its users. This isn't a bad thing; if English hadn't changed since, say, 1950, we wouldn't have words to refer to modems, fax machines, or cable TV. As long as the needs of language users continue to change, so will the language.

Language Change: Progress or Decay? / Edition 4 by Jean ...

It concludes that language is neither progressing nor decaying, but that an understanding of the factors surrounding change is essential for anyone concerned about language alteration. For this substantially revised third edition, Jean Aitchison has included two new chapters on change of meaning and grammaticalization.

Language Change Quotes by Jean Aitchison

Introduction. This chapter summarizes the conclusion reached in this book on the question raised in the title, as to whether language change is progress or decay. The answer is neither. Disruptive and therapeutic tendencies vie with one another in a perpetual stalemate. There is no evidence that language is evolving in any particular direction.

Language Change (3rd ed.) by Aitchison, Jean (ebook)

It concludes that language is neither progressing nor decaying, but that an understanding of the factors surrounding change is essential for anyone concerned about language alteration. For this substantially revised third edition, Jean Aitchison has included two new chapters on change of meaning and grammaticalization.
