Images of decay permeate the final scenes, particularly in the Lord of the Flies, which decayed until it became only a hollow skull. Significantly, Ralph dismantles the Lord of the Flies by pushing the pig's skull off of the stick it was impaled on, an act that mirrors and completes Roger's destruction of the conch in the previous chapter. The destruction of both objects signals to the reader that the boys have been plunged into a brutal civil war.

Much of the irony at the end of the novel stems from Golding's portrayal of the naval officer. Although the naval officer saves Ralph, the ending of Lord of the Flies still is not particularly happy, and the moment in which the officer encounters the boys is not one of untainted joy. The officer says that he is unable to understand how upstanding British lads could have acted with such poor form.
