Like regular peyote stitch, there is an even count version of the stitch and an odd count version of the stitch. Since the first row of the Love affirmation pattern uses six columns of two beads each, it is an even count peyote stitch. Even count peyote stitch is always slightly easier than odd count peyote stitch. Note that the difference is very slight and it will only take one project to learn odd count peyote, so never avoid learning the odd count version.
