Putin 4.0: It's All in the Family - The American Interest

Hence the most likely implications from Putin's victory are effectively more of the same: Putin 4.0 will lead an emboldened Russia that remains economically vulnerable but structurally strong. At the same time, the West will continue struggling to come up with a coherent strategy to contain, marginalise, co-opt, mollify or otherwise deal with the Kremlin.

Putin 4.0: Five Issues Facing Russia's President In The ...

“Putin’s fourth presidency will be devoted to solving this main task of his successor because his personal life and security are at stake. All other factors are of secondary importance. A revolution, redistribution of property, a new alternative elite coming to the power, all would mean a catastrophe for the future of the current elite and their children.
