Abstract: Brief abstract written by HRAF anthropologists who have done the subject indexing for the document This monograph presents a detailed study of three major Sherpa religious rituals -- the NYUNGNE, or atonement of individuals through fasting and silence; the extended set of exorcism rites following a funeral, designed to cleanse pollution from the participants; and the rites of offerings to the gods to insure the continued protection of the community against the demons. Interwoven ...

Bing: Sherpas Through Their Rituals

After death, the family performs rites for the benefit of the departed and undertakes a ritual purification of the home. Sherpas believe that the soul remains near the house for forty-nine days, and on the last of these days a grand feast is held to complete the last of the funeral rites.

Sherpa people - Wikipedia

She shows how climbers' behavior toward the Sherpas has ranged from kindness to cruelty, from cultural sensitivity to derision. Ortner traces the political and economic factors that led the Sherpas to join expeditions and examines the impact of climbing on their traditional culture, religion, and identity.
