Show Me the Numbers: Designing Tables and Graphs to Enlighten, Second Edition, Stephen Few, \$45.00 MSRP, June 2012, Analytics Press. ([Table of Contents](#)) Most presentations of quantitative information are poorly designed—painfully so, often to the point of misinformation. This problem, however, is rarely noticed and even more rarely addressed. We use tables and graphs to communicate quantitative information: the critical numbers that measure the health, identify the opportunities, and ...

"Show Me the Numbers" is rare and special. It is a practical and commonsense guide that you can use in your business today and every day. Stephen Few grounds his principles in the work of Edward R. Tufte and others, extends them to comprehensively address the needs of business, and then applies them to hundreds of examples drawn from his own experience.
