(Redirected from USS North Carolina (BB-52)) This article is about the canceled 1920s battleship class. For the World War II-era class of battleships, see South Dakota-class battleship (1939). The first South Dakota class was a group of six battleships that were laid down in 1920 for the U.S. Navy, but were never

completed.

5 Postcards, US Navy, USS North Carolina Battleship ...

The Battleship's hull has critical structural issues that must be addressed immediately. Since coming to her berth in 1961, more than 50 years of wind and water at the tide line have left the hull paper-thin in places. Her last major dry docking and repair work was done in 1953.

Cofferdam, Walkway and Hull Repair ★ Battleship NC

USS North Carolina is the lead ship of the North Carolina class of fast battleships, the first vessel of the type built for the United States Navy. Built under the Washington Treaty system, North Carolina's design was limited in displacement and armament, though the United States used a clause in the Second London Naval Treaty to increase the main battery from the original armament of nine 14-inch guns to nine 16 in guns. The ship was laid down in 1937 and completed in April 1941, while the Unit
