Shoji screens are a traditional Japanese architectural feature you're definitely familiar with, even if you don't realize it. If you've ever visited Japan, or a Japanese-style building, or even seen a Japanese movie, you will have noticed the iconic sliding doors or paper walls. Used as doors, windows, and room dividers alike, shoji screens are one of the most recognizable forms of Japanese architecture, art, and design and captivate people all over the world to this day.
