Just invest little mature to get into this on-line publication the little elixir otp guidebook as well as review them wherever you are now.

Tutorial Review - The Little Elixir & OTP Guidebook

Excellent book! Elixir is a great language, and the author creates a very digestible approach to the language and framework. You can go into it knowing only the very basics of Ruby and functional programming, come out of it capable of building applications in Elixir with OTP, and never be overwhelmed or bewildered.
