[PDF] The Printing Press As An Agent Of Change Full ...

The printing press brought “uniformity in copies of work” (Eisenstein¹⁵) of a particular author that was circulating, and this preserved the name and reputation of the author. Practices among authors such as using page numbering, using indices, and table of contents became more common even though they had been in existence for quite a while.

Eisenstein's book *The Printing Press as an Agent of Change* lays out her thoughts on the "Unacknowledged Revolution," her name for the revolution that occurred after the invention of print. Print media allowed the general public to have access to books and knowledge that had not been available to them before; this led to the growth of public knowledge and individual thought.
