The United Nations (UN) is an intergovernmental organization that aims to maintain international peace and security, develop friendly relations among nations, achieve international cooperation, and be a centre for harmonizing the actions of nations. It is the largest, most familiar, most internationally represented and most powerful intergovernmental organization in the world.

### **The United Nations: A Very Short Introduction on Apple Books**

A solid introduction to the United Nations that is surprisingly critical of the enterprise. The author is extremely well-versed in the subject matter, and doesn't shy away from any criticism. While the tone is unapologetically biased, it's a fresh perspective for someone who, like me, has only heard of the UN as showered in vague praise and ...
